

How can you become a
Water Quality Whiz?

www.abca.on.ca/education.php

Improve local
aquatic ecosystems

Prevent the spread of
aquatic invasive species

Protect species
at risk

Conserve water
daily

Help keep pollutants out
of waterways

Visit
www.abca.on.ca

Make your mark and 'Clean Water Now'

How can your children or students become a 'Whiz' about Water Quality and win prizes at the same time? Qualifying classes can win prizes awarded at the end of the school year! To learn more about how to become a classroom dedicated to improving water quality, contact the Ausable Bayfield Conservation Authority (ABCA) for more details or visit www.abca.on.ca/education.php or phone 519-235-2610 or 1-888-286-2610
