

Bringing an accessible nature trail experience to more people ...

# South Huron Trail Mobile

Volunteer drivers Norm Eckel and Jerry Mathers provide a wonderful nature experience to people with limited mobility who would otherwise not be able to experience the beautiful South Huron Trail in this way. The South Huron Trail Mobile is a quiet, battery-operated cart with enough room for three passengers. If you would like to enjoy this experience phone **519-235-2610** or toll-free **1-888-286-2610** and we will check with one of the volunteer drivers to see if they are available.

## Who can use the South Huron Trail Mobile?

The Trail Mobile makes the South Huron Trail accessible to individuals who would not otherwise be able to enjoy the beauty of the trail because of physical mobility challenges.

The Trail Mobile has been developed and maintained thanks to volunteer drivers from Friends of the South Huron Trail and thanks to donations from the public. Rides depend on driver availability and weather.

## How to book the trail mobile

Eligible individuals can book a time for a ride on the trail by calling Ausable Bayfield Conservation during normal working hours:
