

29th CONSERVATION DINNER

A community event of
Ausable Bayfield Conservation Foundation and Exeter Lions Club

April 12, 2018

Program Sponsored and Printed by Track 21 Graphix

29th Conservation Dinner

WELCOME

On behalf of myself and Co-Chair Jim Beckett, the Ausable Bayfield Conservation Foundation (ABCF) and the Exeter Lions Club, we would like to extend our warmest welcome to you this evening and thank you for your presence.

In our rural area we know too well the importance of partnerships and collaboration for the well-being of our communities and the associated quality of life for all.

Jim and I would like to single out a very heartfelt thanks to the Dinner Committee members from the ABCF, Exeter Lions and the community, as well as the Ausable Bayfield Conservation Authority staff that are here tonight, for their exceptional efforts.

To our contributors, friends and partners, it is a pleasure to see you all here tonight – for without you we would not have enjoyed the success and support this event has garnered over the past 28 years.

We thank you for your support of such a worthy endeavour.

Please enjoy the evening!

David Loerchner – D. L. Creations

2018 Conservation Dinner Feature Artist

It is an honour to feature the talented woodworking of David Loerchner, owner of D.L. Creations. This local craftsman is a lifelong resident of Bayfield. He started making his wood creations on a mobile home front porch and then the front porch became a workshop. The business continued to grow as neighbours told others about his talent. In 2014, the skilled artist took his longtime interest in woodworking and moved D.L. Creations to 75761 Bluewater Highway in Bayfield and added a showroom and a mill.

Each piece of wood, whether new or re-purposed, has a story to tell and is totally unique. Tonight's feature is a live-edge maple solid slab table measuring 30 inches by 6 feet. As you admire this custom creation and recognize the beauty and quality of the craftsmanship you may envision it within your home or office and remember your evening at the Conservation Dinner in 2018.
