

ASK A FORESTER

with Ian Jean

**September 28, 2022 at
5:00 p.m. at
Linfield Wildlife Area**

Join Ian Jean, Forestry Specialist at Ausable Bayfield Conservation, to discuss woodlot enhancement.

Learn about:

- Beech Bark Disease: What is it? What to look for & management options.
- Emerald Ash Borer: A woodlot after the killing front: management options.
- incorporating tree planting and stewardship into your agricultural system

Linfield Wildlife Area is located 1/2km. west of Goshen Line, on Pavillion Rd.

For more information, contact (519) 235-2610.
