# 30<sup>th</sup> Conservation Dinner

## WELCOME

**O**n behalf of myself and Co-Chair Jim Beckett, the Ausable Bayfield Conservation Foundation (ABCF) and the Exeter Lions Club, we would like to extend our warmest welcome to you this evening and thank you for your presence. This marks our 30<sup>th</sup> annual Conservation Dinner and we are proud to host it tonight with all of you!

In our rural area we know very well the importance of partnerships and collaboration for the well-being of our communities and the associated quality of life for all.

Jim and I would like to single out a very heartfelt thanks to the Dinner Committee members from the ABCF, Exeter Lions and the community, as well as the Ausable Bayfield Conservation Authority staff that are here tonight, for their exceptional efforts that make this event come together to be a success.

To our contributors, friends and partners, it is a pleasure to see you all here tonight – for without you we would not have enjoyed the success and support this event has garnered over the past 29 years. We thank you for your support of such a worthy endeavour.

Please enjoy the evening!
