

AUSABLE BAYFIELD CONSERVATION AUTHORITY FDK/PRIMARY EDUCATION PROGRAMS - FALL 2023

SCHOOLYARD

VIRTUAL

IN CLASSROOM

FIELD TRIP

Busing rebates are available to ABCA watershed schools thanks to NextEra Energy Canada LP. & Cordelio Power.

Location Codes:

CCA - Clinton Conservation Area
MDCA - Morrison Dam Conservation Area
RGCA - Rock Glen Conservation Area

*These programs are sponsored by NextEra Energy Canada LP. and Cordelio Power to the benefit of ABCA Watershed Schools
**The River Safety program is sponsored by the member municipalities of the ABCA for watershed schools.

PUDDLES AND POLLYWOGS

CCA, MDCA

Jump and splash in our rivers or streams as we explore what exactly is living in our waterways. Use inquiry skills to identify these prehistoric critters and their importance to our watershed. Sharing circle, a story and even participate in fun games!

NATURAL CURIOSITY

CCA, MDCA & RGCA

Grow and develop your students' curiosity through inquiry-based learning. Contact Education Staff to discuss a theme that aligns with and extends current learning.

CAN YOU DIG IT?*

CCA, MDCA & RGCA

Gr. 3 - Soils in the Environment

Dig in and discover what soil is made of. Through hands-on learning, investigate the properties of soil and grow your understanding of how to manage soil in our watershed and in our daily lives.

ANIMAL ADVENTURES

CCA, MDCA, RGCA

Gr 1. - Needs and Characteristics of Living Things

Life cycles, adaptations and unique characteristics of our local animals are discovered during this program filled with games, stories and hands-on learning.

RIVER SAFETY**

Put your knowledge to the test while completing river safety missions and quests to explore the importance of water safety and how to stay safe around water.

LIVING WORLD WALK

CCA, MDCA, RGCA

Gr. 1 - Daily and Seasonal Changes

Explore your local conservation area for a sensory hike that explores seasonal changes and the effects it has on our local habitats. Join us for a scavenger hunt and mindfulness to see how our world comes alive.

SUPERHERO OR CHAMPION?

CCA, MDCA & RGCA

Gr. 2 & 3 - Growth and Changes in Animals/Plants

How is a beaver different from a snake? How does a plant make its own food? Become a herbal superhero or an adaptation champion as you explore either our local animals OR plants!

JUST KEEP SWIMMING!

CCA, MDCA & RGCA

Gr. 2- Air and Water in the Environment

Dive in and learn about where the water you use every day comes from, where it goes after you're done using it and how it all works together in the water cycle through games and experiments!

FEES!

FIELD TRIP FEES (HST incl.)

\$7.65/student for one 2 hour program
\$14.25/student for two 2 hour programs

IN SCHOOL FEES (HST incl.)

Schools in the ABCA Watershed:
\$120 per program
