

AUSABLE BAYFIELD CONSERVATION AUTHORITY JUNIOR EDUCATION PROGRAMS - FALL 2023

SCHOOLYARD

VIRTUAL

IN CLASSROOM

FIELD TRIP

Busing rebates are available to ABCA watershed schools thanks to NextEra Energy & Cordelio Power.

Location Codes:

CCA - Clinton Conservation Area
MDCA - Morrison Dam Conservation Area
RGCA - Rock Glen Conservation Area

*These programs are sponsored by NextEra Energy and Cordelio Power to the benefit of ABCA Watershed Schools
**The River Safety program is sponsored by the member municipalities of the ABCA for watershed schools.

RIVER RAMBLE

CCA, MDCA

Jump and splash in our rivers or streams as we explore what exactly is living in our waterways. Use inquiry skills to identify these prehistoric critters and their importance to our watershed. Sharing circle, a story and even participate in fun games!

SPECIES AT RISK 101*

CCA, MDCA & RGCA

Gr. 4 - Habitats and Communities
Gr. 6 - Biodiversity

Through hands-on activities, explore why some species struggle while others thrive. Learn more about the natural and human-related factors affecting local species.

WETLAND DETECTIVES

CCA, MDCA & RGCA

Gr. 4 - Habitats and Communities
Gr. 6 - Biodiversity

70% of Canada's wetlands have been destroyed or degraded. Uncover the importance of these ecosystems through interactive activities.

OLDER THAN DINOSAURS

RGCA

Gr. 4 - Rocks, Minerals, and Geological Processes

Become a paleontologist as we explore what the ABCA watershed could have looked like over 400 million years ago. Discover and unravel the secrets our watershed hides and hike through living history in the Ausable Gorge.

LOST AND FOUND

CCA, RGCA

Join in the ultimate scavenger hunt while learning about how technology that has changed throughout the years. Get lost and found in this interactive chance to get hands-on experience with GPS.

NATURAL CURIOSITY

CCA, MDCA, RGCA

Grow and develop your students' curiosity through inquiry-based learning. Contact Education Staff to discuss a theme that aligns with and extends current learning.

HABITATS AND COMMUNITIES

CCA, MDCA, RGCA

Gr. 4 - Habitats and Communities
Gr. 6 - Biodiversity

Watch the world come alive as you explore the habitats and communities of our native plants and animals as well as their invaders in our local conservation areas.

RIVER SAFETY**

Put your knowledge to the test while completing river safety missions and quests to explore the importance of water safety and how to stay safe around water.
