

Bringing an accessible nature trail experience to more people

South Huron Trail Mobile

Volunteer drivers provide a wonderful nature experience to people with limited mobility who, otherwise, might not experience the beautiful South Huron Trail in this way.

South Huron Trail Mobile is a quiet cart with room for five passengers.

If you would like to book a ride on the South Huron Trail Mobile, please call one of the volunteer drivers, Norm Eckel (at **226-423-2016**) or Jim Hayter (at **519-235-3856**).

Rides depend on weather and volunteer driver availability.

Who can use the South Huron Trail Mobile?

The Trail Mobile makes South Huron Trail accessible to individuals who could not otherwise enjoy the trail because of physical mobility challenges.

The Trail Mobile has been developed and maintained thanks to volunteer drivers from Friends of the South Huron Trail; and thanks to Ausable Bayfield Conservation Foundation, Municipality of South Huron, and generous donors.

How to book the trail mobile

Call Norm (**226-423-2016**) or Jim (**519-235-3856**) to book a ride.
