

Bringing an accessible nature trail experience to more people

South Huron Trail Mobile

Volunteer drivers provide a wonderful nature experience to people with limited mobility who, otherwise, might not experience the beautiful South Huron Trail in this way.

South Huron Trail Mobile is a quiet, battery-operated cart with room for three passengers. To enjoy this experience phone **519-235-2610** or toll-free **1-888-286-2610** and we will check with one of the volunteer drivers to see if they are available.

Rides depend on weather and volunteer driver availability.

Who can use the South Huron Trail Mobile?

The Trail Mobile makes South Huron Trail accessible to individuals who could not otherwise enjoy the trail because of physical mobility challenges.

The Trail Mobile has been developed and maintained thanks to volunteer drivers from Friends of the South Huron Trail; and thanks to Municipality of South Huron, Ausable Bayfield Conservation Foundation, and donations.

How to book the trail mobile

Call 519-235-2610 or 1-888-286-2610 to book your ride.

Eligible individuals can book a time for a ride on the trail by calling Ausable Bayfield Conservation during normal working hours:

Monday – Friday, 8:30 a.m. – 4 p.m.

We will then make contact with a volunteer driver.
