

Volunteer drivers provide an accessible nature trail experience to people with limited mobility.

## South Huron Trail Mobile

### Who can use the Trail Mobile?

The Trail Mobile has been developed and maintained, thanks to donations, to make the South Huron Trail accessible to individuals and groups who could not otherwise enjoy the beauty of the trail because of physical mobility challenges.

Trail rides are possible thanks to volunteer drivers. Rides depend on driver availability and weather.

### How to book the trail mobile

Eligible individuals can book a time for a trail ride by calling Ausable Bayfield Conservation in normal working hours: Monday – Friday, 8:30 a.m. – 4 p.m. We will then contact a volunteer driver.

Call **519-235-2610**  
or **1-888-286-2610** to book your ride.

Volunteer drivers provide an accessible nature trail experience to people with limited mobility.
