### **Contest Rules – 2019**

To help celebrate *Love Your Greats Day* (August 10, 2019), Ausable Bayfield Conservation Authority (ABCA) is holding a photo contest to highlight the actions people are taking to protect Lake Huron.

These are the contest rules (posted at <https://www.abca.ca/community/getinvolved/>).

You may submit your photo to the contest simply by posting a photo showing what you or your family does to protect Lake Huron by replying to the post on the Ausable Bayfield Conservation Facebook page, or Twitter feed, with the hashtag #LYGLakeHuron. Or, you may send your photo by email with #LYGLakeHuron Photo Contest in the subject of the email, to [info@abca.ca](mailto:info@abca.ca). To be eligible for the contest, photos should be posted or received by Tuesday, September 3, 2019 at noon local time.

By using the #LYGLakeHuron hashtag you are agreeing to the rules of the contest.

The watershed Twitter feed is at: <https://twitter.com/LandWaterNews> and the watershed Facebook page is at: <https://www.facebook.com/WaterSoilLivingThings/>

We hope you will share with us your photos displaying what you do to protect Lake Huron. This might include, but is not limited to, photos showing rain barrels, rain gardens, wetlands, natural areas, trees, permeable pavement, cover crops, minimum or no-till fields, berms, grassed waterways, buffers, exclusion fencing, or beach cleanups. If your photo has a story to tell the conservation authority encourages you to share that as well.

Three winners of the photo contest will be drawn at random and will receive a 'Love Your Greats' or Great Lakes T-shirt, hat, or similar prize. Ausable Bayfield Conservation reserves the right to not award prizes. Judges' decisions are final.

The photo must be taken in an Ausable Bayfield Conservation Authority watershed municipality or the Ausable Bayfield Conservation watershed area.

You may enter the contest as many times as you want.

This contest is for amateur photographers and is open to all photographic abilities.

The person taking the photo must take the photo without creating risk to the safety of themselves or others. The person taking the photo must not be on private property unless you have received prior permission of the landowner.

The photo should not show easily identifiable property features (e.g., 911 numbers; farmhouses; barns; etc.) unless it is a photo taken on your property or you have received appropriate permissions.

ABCA reserves the right to crop the photo or edit with photo software for reasons such as lighting; etc.

By posting the photo, you agree to give ABCA full rights of use to the photo and you acknowledge that you took the photo and with your own equipment and you own the rights to the photo and have the ability to provide rights of use and permission for use to ABCA. You also give full rights of use for any captions or stories.
