Registration begins at 7:30 a.m. on race day.

The 3.25-km walk/run begins at 9:30 a.m.

The 8-kilometre run starts at 9:45 a.m.

If you aren't running, consider volunteering and/or donating.

The trail run combines an opportunity for beginners and more experienced runners to compete and challenge themselves while enjoying nature in a wonderful destination.

Enjoy different trail surfaces

If you run the eight-kilometre South Huron Trail Run, or run/walk the 3.25-km run, you will enjoy running through wide, cleared trails and different views and on different surfaces.

You'll run on a bit of pavement, a bit of grass, some boardwalk, and stone dust pathways ... whatever the surface, the views will be beautiful!
