

## ABOUT NATURE PA DAY CAMP

Nature PA Day Camps run each PA day for the rest of the 2018 calendar year. Camps run from 9 a.m. to 4 p.m. at Morrison Dam Conservation Area, east of Exeter. Before and after care is available.

Campers will explore and discover the natural world through active outdoor play. This program is ideal for young people who love being outdoors, who enjoy hiking and exploring, and who like to get their hands dirty!

Programs will proceed rain, snow or shine. Please be sure to dress your child appropriately for the weather as we will be outdoors for most of the activities. Indoor programs will be run in the case of severe inclement weather such as heavy rain, thunderstorms, snowstorms or high winds.

Registrations are accepted on a first-come, first-serve basis until camp is full and can be dropped off or mailed to the Ausable Bayfield Conservation's Administrative Office or you can register online. Once your registration have been received, a confirmation package and receipt will be emailed to you.

## COST

\$35 per day

Register for all three and save \$15!

## CANCELLATION POLICY

A minimum of 10 campers is required. Parents/guardians will be notified a minimum of 5 business days prior to camp if the minimum number of campers has not been reached and will receive a full refund.

Any registration cancellations prior to the start of camp will receive a 40% refund of registration fee.

## LIABILITY WAIVER

I understand that there are risks involved in participating in an activity or program and I acknowledge that my choice to register my child in Day Camp brings with it the assumption by me of those risks. I also release the Ausable Bayfield Conservation Authority and its staff of any claim arising from such risks. If at any time emergency medical treatment is necessary for my child, I give my consent for treatment to be given. Every effort will be made to contact Parent/Guardian(s). I also understand that staff will be dealing with a variety of children and that there may be some disciplinary action taken if the staff deems it necessary. Such actions will consist of making sure the child realizes that they may be distracting other participants, sitting a child out of activities for a short period of time, and in extreme circumstances, asking the parents to remove the child from the program.
