

# Think Globally, Act Locally

We want you to be part of a local team  
to develop a conservation strategy

We don't think caring about land and water starts at age 25.

We think you can be 19, or 17, or 14, and have ideas  
about where we should be headed  
and how we can get there ...

A great opportunity to  
get community service  
hours and help  
your world  
and your watershed

If you are on Facebook search  
for 'Conservation Strategy Youth'  
and join other local young people  
who want to protect land and  
water in your local ecological  
neighbourhood.

If you think you would like to help create healthier land and water in your area  
visit [abca.on.ca](http://abca.on.ca) or call Tim at the Ausable Bayfield Conservation Authority  
(ABCA) at 519-235-2610, extension 248 or toll-free 1-888-286-2610 or e-mail
