

Huron Perth Chapter of the Ontario Woodlot Association

Twilight Windbreak Tour

**Thursday, June 9th, 2016
7:00 p.m.**

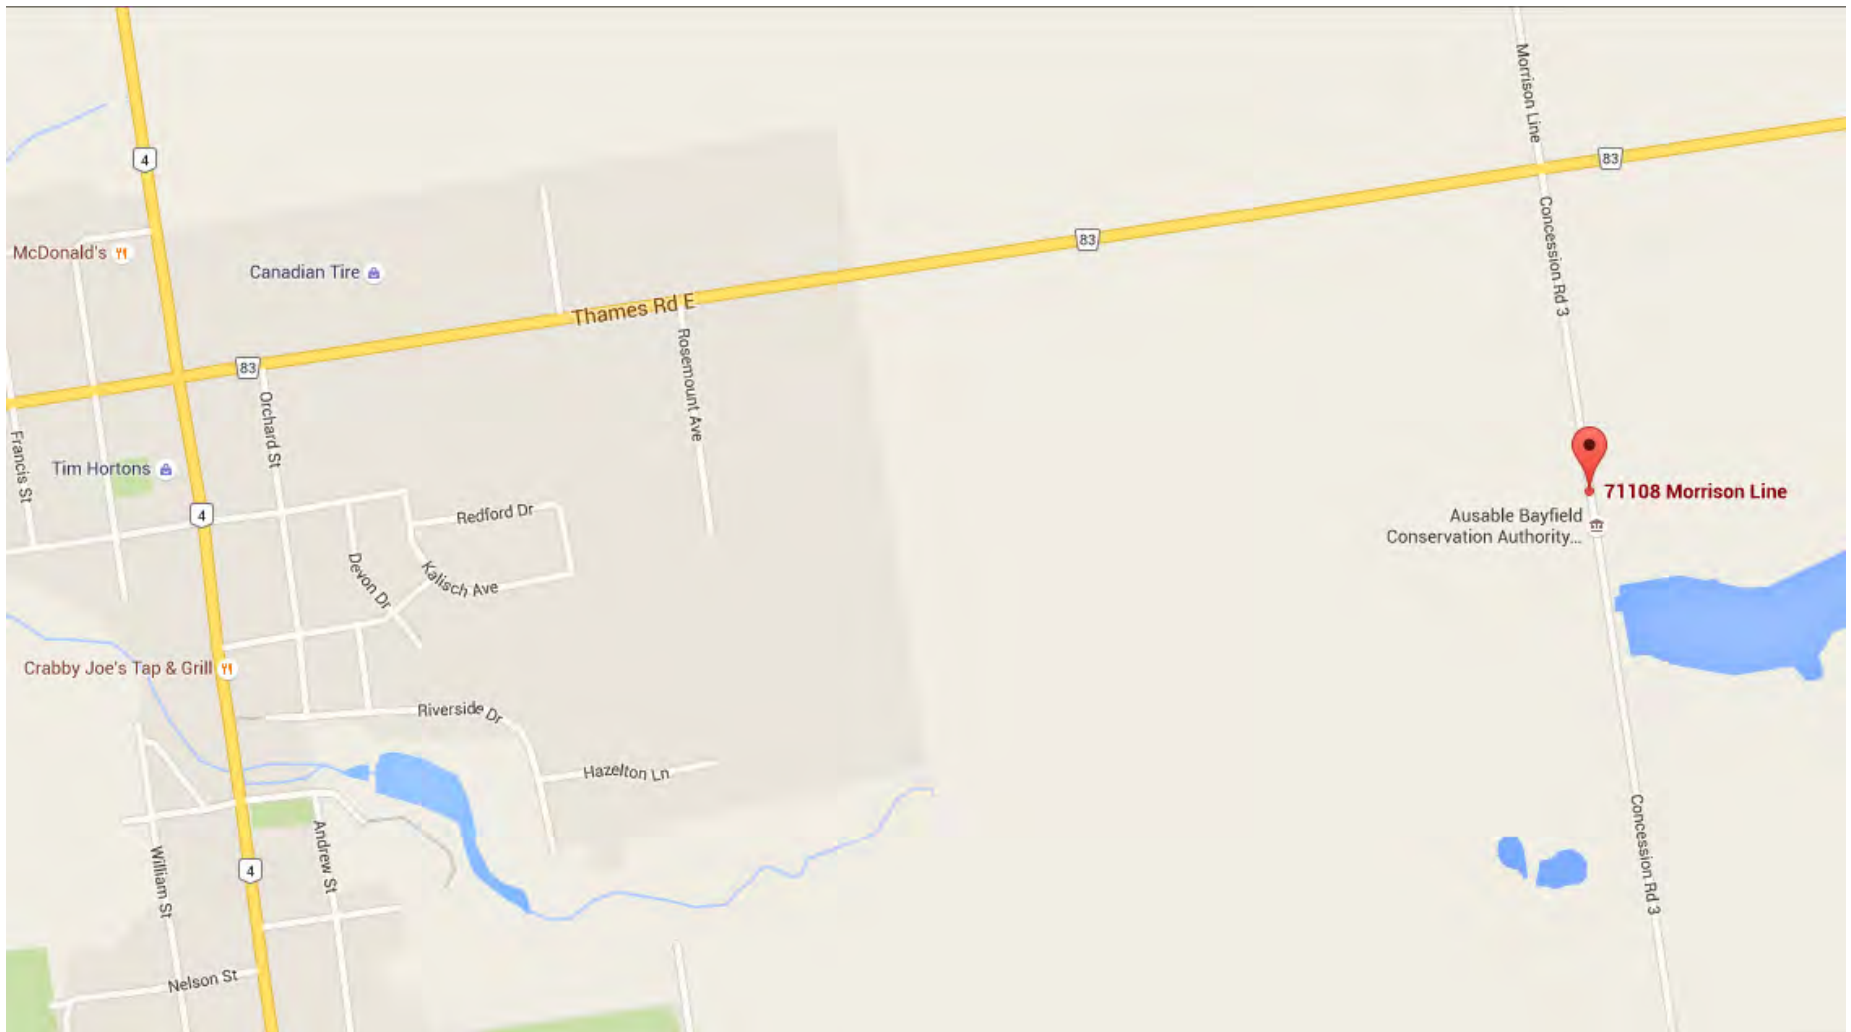

This tour to be lead by **Ian Jean** (Forestry and Land Stewardship Specialist with the Ausable Bayfield Conservation Authority (ABCA) ***will provide an overview of the benefits of windbreaks as well as information about planning, planting, early tending and management throughout their life cycle.*** The tour will start at the Ausable Bayfield Conservation Authority office just east of Exeter, then we'll car-pool to several nearby sites to visit windbreaks at various stages of development.

Location: (see map on following page)

- from the intersection of Highway #4 and Huron County Road # 83 at the north edge of Exeter proceed east 2 km to the first intersection
- turn south from County Road # 83 onto Morrison Line
- after about 1/2 km turn left (east) into the Ausable Bayfield Conservation Authority office parking lot at 71108 Morrison Line.

We'll sort out car-pool arrangements at the ABCA office
